Bernard and Ginette Charbonneau
Catholic Engaged Encounter
40 A Anthony Street
Cornwall, ON K6H 5J7

Dear Ginette and Bernard:

With these few words I wish to strongly endorse the International Catholic Engaged Encounter.

Experience shows that this program is an excellent aid in preparing couples for marriage. The very process invites them to serious dialogue around aspects of their personal life and their relationship in the union of marriage. Key issues are discussed and the couple, as individuals and as a couple, must work through these issues.

Something which speaks very favorably of Engaged Encounter is the evaluation that the participants themselves offer at the conclusion of the experience. In cases of couples of mixed religion or faith, the non-Catholic at times will enter the RCIA process.

Clearly, I highly endorse International Catholic Engaged Encounter.

Sincerely in our Lord,

Gerald Wiesner, O.M.I.
Bishop
